(R9-10-115. Unclassified health care institutions Implementation of the provisions of R9-10-114(B) shall be at the sole discretion of the Director or the Director's representative. Health care institutions not otherwise classified or subclassified in R9-10-114(A) shall include but need not be limited to the following:)

R9-10-115.1. Be adequately equipped and staffed by qualified personnel to meet the needs and assure the safety of persons attending the facility and conform to all applicable statutory requirements for the provision of health care.

R9-10-115.4. Cause the facility's physical plant and equipment to be periodically inspected and, where appropriate, tested, calibrated, serviced or repaired to assure that they are functioning properly and reliably. Records shall be maintained to assure that appropriate inspections and maintenance of equipment is periodically accomplished by an appropriately qualified person.

R9-10-115.3. Maintain all parts of the facility, including its premises and equipment, neat, clean, free of insects, rodents, litter and rubbish. Policies and procedures shall be established and implemented for cleaning, sanitizing or sterilizing equipment and supplies.

R9-10-115.7 Adopt policies and procedures that delineate the scope of services offered, hours of operation, admission and discharge criteria and type of staff provided.

R9-10-115.2. Establish and maintain a record of each inpatient and outpatient documenting the assessment of the patient's health needs and all health care service the patient receives.

R9-10-115. 5. Comply with applicable regulations adopted pursuant to A.R.S. 36-136(G) for the control of communicable disease and maintenance of proper sanitation.

R9-10-101. In addition to the definitions in A.R.S. § 36-401(A), the following definitions apply in this Chapter unless otherwise specified:

.R9-10-101.3. "Adjacent" means not intersected by:

R9-10-101.3.a. Property owned or operated by a person other than the applicant or licensee, or

R9-10-115.6. Comply with applicable fire and building codes.
